SYNTHETIC DEMO DATA

Sample Damage Report

Reference: DR004 | Fictional, unverified report

Product

B - Snack Biscuits B

Reported event time (MYT / UTC+08:00)

20 October 2026, 08:30

Reported condition

Packaging damaged; marked unsuitable for sale in this demo.

Reported quantity / proposed movement

4 units / -4 units

Review status

Unverified demo claim - human review required.

This report states a possible reason for the remaining 4-unit gap.
A report or illustration is not proof that the event occurred.
Only after review, use the matching DR004 structured demo record.
The separate additional-evidence.csv contains that record.
Upload alone does not add a movement, reassess, approve, or change stock.

Fictional test document. No real customer, supplier, or employee data.
